

# Hebrew Reading

## *Adventure with Aleph Bet* *Grades JK & SK*

There is nothing quite like watching a child bond with the Hebrew letters as they are brought to life.

Adventure with Alef will bring an excitement and love of the Hebrew Alphabet - Aleph Bet letters to your classroom and students homes.

Within the beautiful illustrations are smart and relevant mnemonics that allows students to easily learn the Hebrew Alphabet and recall the Aleph Bet letters forever.

## *Aleph Champ* *Grades 1-6*

Our students learn to read and write Hebrew using the acclaimed Aleph Champ Program; a karate motivated system where reading levels are divided by colour and students move from the level to level colour by colour at their own pace. At our Hebrew School, Hebrew reading becomes FUN.

# *Jewish Holidays*

Each holiday in our school is an exciting experience. Our school wide celebrations make each holiday come alive and our students come to love the traditions, message, and story of each festival

# *Our Jewish Heroes*

What is a hero? Who are our Jewish heroes? Students take a look at many of our Jewish heroes beginning with Abraham and Sarah and continuing on through Moses and Miriam. Each child will collect their own set of Jewish Hero cards in a special album and record fun facts in their Jewish Hero workbook. Each age group learns the incredible stories from the Torah and connects with the special heroes on their level.

# Judaism Comes Alive

## *NEW! JEW Q: International Torah Championship*

The goal of the program is to have students learn basic concepts in Judaism and compete with children from other Chabad Hebrew Schools to master the material.

## *Shabbat Celebration*

The children participate in the Shabbat blessings for the candles, grape juice and challah. They sing popular Shabbat songs including blessings, kiddush, eishet chayil and Kiddush. This is a special time that the children anticipate.

## *Tefillah- Prayers*

Kitah Aleph participates in an interactive prayer circle. The children give tzedekah, kiss the Torah, say the Shema with motions and activity.

Kita Bet prays from a special Siddur designed for students of their age group. They learn to chant traditional prayers in an enthusiastic communal setting.
